

# SUMMER FIRE SAFETY CHECKLIST

- ✓ Test your smoke detectors, alarms and fire extinguishers
- ✓ Cut back trees and shrubs
- ✓ Clean up leaves and twigs around the property
- ✓ Remove or store flammable items well away from your house
- ✓ Clean gutters and downpipes
- ✓ Check you have hoses and that they are long enough to reach around your house
- ✓ Inspect your roofs for missing, loose or damaged tiles and leaks
- ✓ Examine the condition of external walls for cladding and sealing any gaps
- ✓ Put a fire evacuation plan together and share with your household
- ✓ Review your insurance
