About this booklet

There are two parts to this booklet. The first part is Important Information about this Policy including information about how we'll protect your privacy and how to make a complaint or access our dispute resolution service.

The second part is your Policy Wording which sets out the detailed terms, conditions and exclusions of the Policy.

Because we don't know your own personal circumstances, you should treat any advice in this booklet as purely general in nature. It doesn't consider your objectives, financial situation or needs. You should carefully consider the information provided with regard to your personal circumstances to decide if it's right for you.

This booklet is also a Product Disclosure Statement (PDS). Other documents you receive may comprise the PDS. You'll know when this happens because it'll say so in the document.

We may need to update information in this PDS. If we need to do this, we'll either send you a new PDS or a supplementary PDS. You can also get a copy of these simply by calling us.

Important Information

In this first part of the booklet we explain important information about this Policy including how we'll protect your privacy and how to make a complaint or access our dispute resolution service.

Significant risks

Your sum insured may not be adequate

The Policy provides replacement or reinstatement conditions for home and contents which means that claims are settled without contribution for age, depreciation or wear and tear. It is important that the sums insured you select cover the cost of replacing your home and contents on a new for old basis. The sums insured that you select must make allowance for structural improvements (such as sheds, pergolas, and fencing), GST and any additional benefits that are included in the sum insured such as removal of debris. It is recommended that you use the free, sum insured calculator, available on our website to determine your building sum insured.

It is important that you read the sub-limits in the Terms and Conditions for items such as works of art. If you have any of these items that will cost more than the sub-limit to replace, then you will need to nominate them to ensure that they are covered for more than the sub-limit.

For example, there is a sub-limit on works of art, pictures, tapestries and rugs of \$20,000 per item, and in total, 25% of the unspecified contents sum insured. If it would cost more than this to replace these items as new, you must specify them to ensure that you are covered for their full value.

This Policy is designed for landlords

This Policy is not suitable for insuring owner occupiers. It is only suitable for holiday homes if they are casually let and you have selected and paid for the 'Casually let holiday home option' in section 7. There are limitations to the coverage provided by this Policy if you do not tell us that you are an owner occupier or you use the home as a holiday home without selecting the casually let holiday home option.

The cost of this Policy

Premium is what you pay us for this Policy and it's made up of the amount we've calculated for the risk and any taxes and government charges.

When calculating your premium we take a number of factors into account, including:

- where the home or contents are located,
- the sum insured, and
- your previous insurance and claims history.

Some rating factors do not affect all components of the premium calculation. For example, no claim bonus and loyalty discounts do not apply to the parts of the premium paid for liability or flood cover.

Cooling-off period

If you change your mind within 21 days of buying your Policy, you can cancel it and receive a full refund. Naturally, this doesn't apply if you've made or are entitled to make a claim. Even after the cooling off period ends, you still have the right to cancel your Policy. However, we may deduct some costs from any refund, as set out in the Policy Wording under 'Cancelling your Policy'.

To cancel your Policy within the cooling off period, contact Defence Service Homes Insurance.

Step 3 – Still not resolved?

Policy Wording

Your Policy is underwritten by QBE Insurance (Australia) Limited ABN 78 003 191 035 AFSL 239545.

Our agreement

Your Policy is an agreement between you and us, made up of:

- This Policy Wording
- Your Policy Schedule, which sets out the cover you've chosen and any terms specific to you.

The cover under this Policy is provided during the period of insurance, once you've paid us your premium. There are also:

- Conditions and exclusions which apply to specific covers or sections;
- General exclusions, which apply to any claim you make under this Policy;
- General conditions, which set out your responsibilities under this Policy;
- Claims conditions, which set out our rights and your responsibilities when you make a claim; and
- Other terms, which set out how this Policy operates.

Excesses

You must pay any excesses which apply to your claim. The excesses which you have to pay are set out in this Policy Wording or on your Policy Schedule.

How much we'll pay

The most we'll pay for a claim is the sum insured which applies to the cover or section you're claiming under, less any excess.

Paying your premium

The ways you can pay your premium, and the frequency you can pay it, are described below:

- in one annual payment to your appointed financial services provider according to their business practices, or
- in monthly instalments by direct debit from your credit card or from your account with your financial institution which facility can be arranged by your financial services provider.

Your Policy Schedule sets out your premium and how you've chosen to pay it.

Annual premium

If you pay your premium annually, and it's not paid by the due date or if your payment is dishonoured, this Policy won't operate and there'll be no cover.

Instalment payments

If you pay your premium by instalment, your Policy Schedule will show the date and frequency of your instalments. If your direct debit details change you must tell us no later than seven days before your next instalment is due.

If you miss an instalment we'll contact you to ask you to pay it or arrange to collect it from you. If you don't pay the missed instalment your policy may be cancelled and we'll write to you to let you know when this will happen.

If you don't pay the missed instalment and a claim arises, then we may refuse to pay your claim.

At renewal

If you pay by instalments, and you renew your Policy, we'll continue to deduct instalments for a renewed Policy at the new premium level according to the same instalment pattern, unless you tell us to stop your direct debit.

If the first instalment for a renewed Policy isn't received we'll try and retake the instalment after seven days. If it remains unpaid, your renewed Policy won't operate and there'll be no cover.

If an instalment is unpaid, we'll send you a reminder letting you know when we're going to retake the instalment. If we still don't receive your payment after this reminder, we'll write telling you the date your Policy will be cancelled unless your payment arrives. Then, if we don't receive a payment, we'll send you a notice to confirm your Policy has been cancelled.

Adjustment of premium on renewal

If we agree to renew your Policy and you claim for an incident that happened during a previous period of insurance, you must tell us about it. You agree to pay us any additional premium increase we'd have required you to pay if you'd told us about the claim before your Policy was renewed.

This condition doesn't affect any other rights we have at law or under this Policy.

If your payment details change

If the direct debit details you use to pay us change, such as you changing credit cards or bank accounts, you must tell us at least seven days before your next payment date.

How we will pay

Home

- (a) At our option we:
- repair the home, or
 - replace the home to a condition substantially the same as, but not better than when new, or
 - pay the reasonable cost of its repair or replacement to a condition substantially the same as when new, or
 - pay up to the sum insured shown on your Policy Schedule.

Claims will be reduced by the balance of any bond money that you can legally use to reduce or pay for any loss or damage after you have deducted any other expenses that you are legally entitled to deduct from the bond money such as clean up costs, rent owing or re-letting expenses.

If your home is damaged beyond economic repair, we will pay no more than the reasonable cost of replacement when new even if you have insured for an amount greater than the reasonable cost of replacement when new. When we pay your claim for your home being damaged beyond economic repair, the Policy is exhausted and comes to an end.

Special benefit – Home sum insured safeguard

If we agree that the cost to repair or replace your home is greater than your home sum insured, then we will pay up to 30% more than your home sum insured to, at our option:

- repair the home, or
- replace the home to a condition substantially the same as, but not better than when new, or
- pay the reasonable cost of its repair or replacement to a condition substantially the same as when new.

This special benefit applies only if:

- (A) this Policy insures your home, and
- (B) your home is so damaged by an event that is insured by this Policy that it is considered by us to be a total loss, and
- (C) the cost to repair or replace your home is greater than your home sum insured because either,
 - (i) the increased cost of repairing damage to your home was caused directly by a 'Catastrophic event', or

- (ii) you correctly used the QBE Home Building Sum Insured Calculator (QBE Calculator) on the QBE website located at www.qbe.com.au/isc to calculate your home sum insured and the QBE Calculator estimated an inadequate sum insured for your home, provided;
- that you can demonstrate that you correctly used the QBE Calculator to determine your home sum insured, and
 - your home is substantially the same as when you used the QBE Calculator (for example, you have not added to nor extended your home), and
 - you have not reduced any sum insured that we have offered on any renewal invitation since you used the QBE Calculator.

'Catastrophic event' means a suddenly occurring, major, natural disaster that is insured by this Policy, where the resultant damage to property in the vicinity of your home and generally is so extensive and widespread that the resultant surge in demand for the materials and labour required to repair buildings causes a surge in the prices of building repairs.

This special benefit only relates to the home. It does not apply to any other insured property, Policy section additional benefit or other Policy feature.

- (b) You may choose to have the home replaced at another site, but we do not pay more than the sum insured.
 - (c) If your home is damaged beyond economic repair and you do not commence rebuilding within 6 months of the damage occurring, (or any other period which we agree with you in writing) you may have to pay any increase in cost caused by your delay.
 - (d) If part of your home is damaged and we agree to pay your claim, we pay only for the part or parts of the home that actually sustained damage. We do not pay to replace any undamaged materials.
-

However, if:

- it is impossible to acquire new material to replace the damaged material that reasonably matches the undamaged portion to a similar extent as immediately prior to the damage occurring, and
- the amount of damaged material that cannot be matched to the undamaged material is more than 40% of the total material that would have to be replaced if all the matching damaged and undamaged material was replaced,

then we will replace both the damaged and undamaged material.

Example 1

There are 300 matching white, wall tiles in the bathroom. As a result of a burst pipe, 8 bathroom wall tiles are damaged. We would pay only the reasonable cost to repair or replace the 8 damaged tiles to a condition substantially the same as when new.

(In addition, we would pay for damage sustained in locating the leak (additional benefit 12)).

Example 2

There are 300 superseded, matching, wall tiles in the bathroom. As a result of a burst pipe, 140 wall tiles are damaged. It is impossible to locate tiles that reasonably match the remaining 160 tiles. Over 40% of the matching wall tiles have been damaged. Therefore, we would pay the reasonable cost to repair or replace all 300 tiles (140 damaged and 160 undamaged) to a condition substantially the same as when new. We would be entitled to keep the 160 undamaged wall tiles by way of salvage. We would not pay to replace any tiles located in a room other than where the loss or damage occurred.

- (e) Where materials that are required to settle a claim that we agree to pay are not commercially available in Australia, at our option, we:
- replace the materials with the nearest equivalent or similar new materials available in Australia or overseas, or
 - pay the cost to replace the materials with the nearest equivalent or similar new materials available in Australia or overseas.

Contents

- (a) At our option we:
- repair the damaged items, or
 - replace the items with items substantially the same as, but not better than, when new, or
 - pay the reasonable cost of repair or reinstatement to a condition substantially the same as, but not better than, when new, or
 - pay up to the sum insured shown on your Policy Schedule.

Claims will be reduced by the balance of any bond money that you can legally use to reduce or pay for any loss or damage after you have deducted any other expenses that you are legally entitled to deduct from the bond money such as clean up costs, rent owing or re-letting expenses.

If your contents are damaged beyond economic repair, we will pay no more than the reasonable cost of replacement when new even if you have insured for an amount greater than the reasonable cost of replacement when new. When we pay your claim for all your contents being damaged beyond economic repair, the Policy is exhausted and comes to an end. We will not pay more than the total contents sum insured for all contents lost or damaged.

- (b) If we agree to pay a claim where software is lost, damaged or destroyed, we pay the cost to replace it with the nearest equivalent new software. We do not pay for any software that was acquired by you at no cost.

- (c) Where an item required to settle a claim that we agree to pay is not commercially available in Australia, at our option, we:
- replace the item with the nearest equivalent or similar new item available in Australia or overseas, or
 - pay the cost to replace the item with the nearest equivalent or similar new item available in Australia or overseas.
- (d) The maximum we pay on the following contents items is shown in the table below. You may obtain higher limit for (a), by having these items specified on your Policy Schedule. We will pay up to the amount specified for each item.

Contents where a maximum limit applies	Maximum Limit
(a) Works of art, pictures, tapestries, rugs	\$20,000 per item and in total 25% of the sum insured for unspecified contents

Note:

If we choose to pay to replace a specified item, we will pay no more than the amount that it would cost us to replace the item with an item substantially the same as, but not better than when new, even if you have specified the item for a higher amount, whether or not you have supplied a valuation. We have negotiated special arrangements with various suppliers to purchase items for less than retail cost. Premiums are therefore based upon us replacing items at less than retail cost.

Antiques

Where we pay a claim for an antique item, and the market value of the item exceeds the cost of its replacement with a new item because of its antiquity and rarity, we will treat the market value as though it is the cost to replace the lost or damaged antique with a new item.

For example:

An antique created in 1880 is stolen and we agree to pay the claim. The antique has current valuation for \$11,000. To replace the item with the closest, similar new item would cost \$2,100. At the time of the loss, our inquiries indicate that to replace that antique item at market value would be approximately \$11,000 but there is no equivalent item currently for sale in Australia or overseas. The market value of the item is higher than the new replacement cost due to the item's antiquity and rarity. In this instance, we would pay you \$11,000 for the item rather than \$2,100. The sum we pay you would be subject to any applicable excess.

(b) Floor and wall coverings, blinds and curtains

For wall coverings, and carpets and other floor coverings, curtains and internal blinds, we pay only for items in the room, hall or passage, where the damage occurred.

(c) Pairs and Sets

A 'pair or set' means two (2) or more articles the collective value of which exceeds the sum of their individual values.

If any item lost or damaged is part of a pair or set, we pay no more than the actual value of the item. We do not give any allowance for any special value it may have as forming part of a pair or set, or for any reduction in value of the remaining part or parts.

Section 3: Cover for your legal liability

What you are covered against

If this Policy covers your home

If this Policy covers your home or, if the home is a strata titled residence and your contents are insured under this Policy, we insure you and any member of your family against any claim for compensation or expenses which you or the member of your family become legally liable to pay for:

- (a) the death of, or personal injury to, any person,
- (b) the loss of, or damage to, property,

resulting from an occurrence during the period of insurance, arising out of the ownership of the home or occupancy of the home.

In this section we include land, trees, shrubs and other plant life on the site as part of your home.

If this Policy covers your contents

If this Policy covers your contents and the home is your primary residence, we insure you and any member of your family against any claim for compensation or expenses which you or the member of your family become legally liable to pay for:

- (a) the death of, or personal injury to, any person,
- (b) the loss of, or damage to, property,

resulting from an occurrence during the period of insurance, anywhere in the World that is not related to the ownership of your home.

An 'occurrence' includes continuous or repeated exposure to substantially the same general conditions. We regard all death, personal injury or loss or damage to property arising from one original source or cause as one (1) occurrence.

Personal Injury means; bodily injury, shock, mental anguish or mental injury, including death. Personal injury does not include the publication or utterance of a libel or slander, any defamation of character nor invasion or breach of privacy.

Bodily Injury means physical bodily harm including sickness or disease, and any resultant required care, loss of services, loss of consortium or death.

Liability cover for the site continues following a home total loss

If your home is a total loss as the result of an insured event and your home Policy comes to an end, we will continue to provide you with this liability cover in relation to the site that your home formerly occupied until the earliest of;

- any construction commencing at the site,
- the sale of the site or any part of it,
- another Policy that includes liability cover being taken out in relation to the site,
- the commencement of construction of a home to replace the insured home at another site, or
- six (6) months from the date of the damage that caused the total loss.

What you are not covered against – Legal liability

When we do not insure you or your family

We do not insure you or your family:

- (a) against any liability caused by or arising directly or indirectly, out of or in connection with the actual or alleged use or presence of asbestos,
 - (b) against fines, penalties, or punitive, aggravated, multiple or exemplary damages.
-

We do not insure you or your family against liabilities arising from:

- (a) any agreement, unless liability would have attached to you or your family if that agreement did not exist,
- (b) death of or personal injury to you or to any person who normally lives with you,

In this exclusion we consider that a person normally lives with you, if that person:

- has lived with you in your home as their primary residence for sixty (60) days or more out of any ninety (90) consecutive day period (irrespective of the commencement date of the Policy) during which there is an occurrence, or
 - has lived with you in your home and intends or intended to use your home as their primary residence for sixty (60) days or more out of the ninety (90) consecutive day period (irrespective of the commencement date of the Policy) during which there is an occurrence.
- (c) death of or personal injury to anyone employed by you or by someone who lives with you if the death or injury arises out of their employment,
 - (d) damage to property belonging to you or any person who normally lives with you or to your or their employees,
 - (e) any workers' compensation legislation, industrial award or agreement, or statutory accident compensation scheme,
 - (f) the ownership, custody, or use of any lift (other than a lift that exclusively services your home, and provided your home is freestanding and solely occupied by your tenant), aerial device or aircraft (except model aircraft or toy kites), aircraft landing area, boat exceeding four (4) metres in length (except canoes, surfboards, surf skis or sailboards) or motorised watercraft in excess of ten (10) horsepower,
 - (g) the conduct of any activity carried on by you or your family for reward except for letting the home for domestic purposes or babysitting on a casual basis.
-

Babysitting cannot be considered to be on a casual basis where:

- the babysitting is not of a casual nature,
 - any licence or other permission is required by any government body or public authority in order to legally conduct the babysitting,
 - the income derived from babysitting is the primary or only source of the household's income,
 - there is a registered business associated with the babysitting,
- (h) vibration or the weakening of, removal of or interference with support to land, buildings or other property,
- (i) building work, construction or demolition of a building, including the home if the value of the work exceeds \$100,000,
- (j) death or personal injury to any person arising out of pregnancy or the transmission of any communicable disease by you or your family,
- (k) the ownership of land, buildings or structures other than the home insured by this Policy,
- (l) loss, damage or injury intentionally caused by you or a member of your family or a person acting with your consent or the consent of any member of your family,
- (m) the lawful seizure, confiscation, nationalisation or requisition of the property insured,
- (n) destruction of or damage to property by any government or public or local authority,
- (o) the ownership or use of any motor vehicle, other than garden equipment that does not require registration, at the site,
- (p) any act or omission that is knowingly illegal, dishonest, fraudulent, wilful, malicious or done with reckless disregard for their consequences by you, your family or a person acting with the consent of you or your family.
-

What we will pay

- (a) We pay up to \$30,000,000 for any one (1) occurrence,
 - (b) We do not pay more than this amount in total under all Policies we have issued to you which cover the same liability,
 - (c) In addition to this amount, we pay legal costs for which we have provided prior written approval.
-

Section 4: Additional benefits

We give you the following additional benefits. For any additional benefits to be payable, you must suffer or incur the relevant loss, liability or damage during the period of insurance.

We pay additional benefits 1 to 7 as part of the sums insured for home or contents, depending on the type of cover you have chosen:

1. Fees

If this Policy insures your home, and

- it is damaged as a result of an event insured under this Policy, and
- we agree to pay a claim,

we pay any reasonable fees which we have approved and which are incurred directly in relation to repair or replacement of your home.

2. Removal of debris

If this Policy insures your home, and

- it is damaged as a result of an event insured under this Policy, and
- we agree to pay a claim,

we pay the reasonable costs of demolition and removal of debris from the site to the nearest authorised facility. If the damage for which we agree to pay a claim is caused by a fallen tree, which as a result becomes debris, we will remove the tree from the site. We will remove a standing tree or branch that formed part of the tree that caused the insured damage only if:

- we agree that the remaining tree or branch is unsafe,
 - the remaining tree or branch only became unsafe as a direct result of the event covered under this Policy causing damage to the tree, and
 - all necessary approvals have been obtained and removal of the tree or branch would not result in a breach of any laws, by-laws, regulations or contractual obligations.
-

We will remove a stump that formed part of the tree that caused the insured damage only if:

- all necessary approvals have been obtained and removal of the stump would not result in a breach of any laws, by-laws, regulations or contractual obligations, and
- not removing the stump would interfere with repairing or replacing the damaged part of the home required to settle your claim.

If this Policy insures your contents, and

- they are damaged as a result of an event insured under this Policy, and
- we agree to pay a claim,

we pay the reasonable costs of removal of contents debris from the site to the nearest authorised facility.

3. Extra costs of reinstatement

If this Policy insures your home, and it is damaged as a result of an event insured under this Policy, and we agree to pay a claim, we pay the extra costs necessary to meet the requirements of any statutory authority in connection with rebuilding or repairing your home at the site. If only part of your home is damaged, we pay only the extra costs you incur in repairing that part. We do not pay any extra costs which resulted from any notice which a statutory authority served on you before your home suffered loss or damage.

4. Replacement of locks and keys

We pay up to \$3,000 to replace or alter locks and/or keys, if locks to your home are damaged or keys to your home are burgled by someone other than the tenant or their family breaking into the home.

5. Change of site

If this Policy insures your contents and you are moving into a new home within Australia, we insure your contents at both sites for a maximum of sixty (60) days. The maximum we pay at each site will be the proportion of the sum insured that the value of the contents at that site bears to the total value of the contents at both sites. You must tell us of your new address within sixty (60) days of first moving to it. If you wish to insure your contents at your new address after that sixty (60) days we must agree to insure them at that address. You must pay us any additional premium we ask for and comply with any conditions we impose.

6. Trees, shrubs and plants

We pay up to \$750 for loss or damage to any one (1) tree, shrub or plant up to \$3,000 in total in any one (1) period of insurance caused directly by an specified event other than (q) storm or flood, or other events connected to the weather or any event that is not sudden and unforeseen. We do not insure grass or lawn. We only repair or replace trees, plants or shrubs that as a direct result of the event, are so damaged that they die, are permanently disfigured or not recovered after being stolen.

7. Building materials

If this Policy insures your home we will pay up to \$5,000 in any one (1) period of insurance if your unfixed building materials are lost or damaged at the site due to an event covered by this Policy. Cover only applies to building materials intended to be used for repairs, alterations or additions to your home at the site. (We do not insure soil, sand, gravel, bark or mulch or any similar materials.) We do not cover any gas or electrical appliances unless they are in a locked and fully enclosed building where those items are not visible from the outside of the building.

We pay additional benefits 8 to 13 over and above your sum insured for home or contents, depending on the type of cover you have chosen.

8. Loss of rent

If the home is so damaged by an event for which we agree to pay a claim that it cannot be let to tenants, we pay up to:

- \$25,000, or
- 20% of the sum insured for your home,
- 20% of the sum insured for your contents,

whichever is the highest, for loss of rent or rentable value if the home is tenanted or is between tenants at the time the loss or damage occurred.

Forced evacuation by government authority

If this Policy insures the home that you let to tenants, and if your home cannot be lived in because of one of the following incidents;

- damage to a home, strata title property, road or street;
- a burst water main;
- a bomb threat or bomb damage;
- a street riot;
- a lift malfunction at the insured address (and you have a medical certificate stating you must use a lift);
- emergency services refuse you access to your home or unit or evacuate you for safety reasons,

we pay any resultant rent lost. We pay up to a maximum of 20% of the sum insured for your home for loss of rent or rentable value if the home is tenanted or is between tenants at the time the loss or damage occurred. We do not cover loss due to cancellation of a lease or agreement including if a tenant decides to leave without giving proper notice.

Under this additional benefit 8, we do not pay for;

- (a) loss of rent if the home has been untenanted for 100 consecutive days immediately before the loss,
- (b) any rent lost outside the period of untenantability, except for up to an additional two (2) weeks to re-let the home from the time the home is able to be lived in again,
- (c) any rent lost later than twenty four (24) months after the damage occurs.

9. Automatic reinstatement of sum insured

This benefit applies to the sums insured for home and unspecified contents as shown on your Policy Schedule. Following payment of a claim other than a claim for total loss the sums insured will be reinstated, unless:

- you request otherwise,
- we tell you otherwise.

10. Inflation adjustment

This benefit only applies to your home and contents sums insured as shown on the Policy Schedule. During each period of insurance we increase the home and contents sums insured by 0.5 of 1% of the relevant sum insured shown on your current Policy Schedule per month until the next renewal date.

11. Legal costs

If this Policy insures your home, we pay the reasonable legal costs incurred in discharging your mortgage following settlement of a claim for total loss.

12. Location costs - escaping liquid

If this Policy insures your home and we pay for damage caused by liquid escaping from any fixed basin, shower base, or other fixed apparatus, fixed tanks, or fixed pipes used to hold or carry liquid, we will also pay the reasonable costs of locating the cause of the damage, and of reinstating the property damaged or disturbed in the course of work. We do not pay for repair or replacement of the apparatus, tank or pipe itself.

13. Environmental upgrade benefit

Applicable only when this Policy insures your home

If we agree that your home is a total loss as the result of a specified event, and we have agreed to rebuild your home, we will pay up to a maximum of \$5,000 of the cost to you, after the deduction of any rebate to which you are entitled under any government or council scheme to install any of the following:

- rain water tank,
- solar power system (solar hot water heating system or photo-voltaic electricity system),
- hot water heat exchange system,
- grey water recycling system.

A rain water tank includes the tank and necessary pump, wiring, foundations, stand, pipes and installation costs. A solar power system includes any photo-voltaic or solar panels and necessary water tank, pump, wiring, supporting framework, inverter, electricity meter, ducting, pipes and installation costs. A hot water heat exchange system includes the heat exchange system and necessary wiring, stand, pipes and installation costs. A grey water recycling system includes the recycling system, wiring, pipes and installation costs.

Applicable only when this Policy insures your contents

If we agree to pay a claim for one (1) of the following items:

- refrigerator,
- freezer,
- washing machines (but not clothes dryer),
- dishwashers,

and it is beyond economic repair, and it had an energy star rating of less than three (3) stars, then we will replace the item with an equivalent item that has an energy rating of at least three (3) stars. If we agree to pay a claim for a clothes dryer and it is beyond economic repair, and it had an energy star rating of less than two (2) stars, then we will replace the item with an equivalent item that has an energy rating of at least two (2) stars.

Section 5: Rent default by tenant option

Rent default by tenant option for additional premium

The rent default option may be obtained on application, and for an additional premium.

If you have selected and paid for this rent default option it will be shown on your Policy Schedule.

What you are insured against

A. Rent default

Rent default means your tenant fails to pay rent in accordance with the lease agreement.

We will pay your rent lost by reason of rent default if your tenant:

- absconds from your home before the end of the tenancy period stated in the lease agreement and does not give you or your agent notice, or
- ceases to pay rent owed to you or your agent, or
- is legally evicted from your home.

B. Death, murder or suicide at the site

We will pay your rent lost because your home could not be lived in as a result of:

- death of the tenant, or
- suicide, murder or attempted murder,

at the site.

C. Failure of a tenant to give vacant possession

We will pay your rent lost where your tenant refuses to pay rent and also refuses to vacate the home after an order for eviction or possession has been served on them by a legal authority such as a bailiff, court or tribunal.

D. Release from lease obligation due to hardship

We will pay your rent lost because a court or tribunal has released your tenant from their obligation to pay rent due to hardship.

What we will pay

For all events A. to D., we will pay the actual weekly amount for which your home is rented in accordance with the lease agreement. The maximum amount that we will pay for event A. or B. is \$1,200 per week up to a maximum of the lesser of:

- a total of \$15,000, or
- fifteen (15) weeks' rent.

For example, if the rent lost is \$1,500 per week over 16 weeks, we will pay no more than \$15,000 (15 weeks x \$1,200 = \$18,000 so the \$15,000 limit applies). If the rent lost is \$250 per week, we will pay no more than 15 weeks rent (total lost rent of \$3,750).

For event A., where there is a periodic tenancy, or a tenancy at will we will only pay the actual rent lost in accordance with the lease agreement. We do not pay any amount for any period where there was no liability to pay rent under the lease agreement by the tenant or ex-tenant.

We will not pay for any rent lost:

- once your home is re-tenanted, or
 - for more than two (2) weeks after the tenant vacates the home following a Notice to Leave being served on the tenant, if the home is in a fit state to be lived in by a tenant.
-

For event C., the maximum amount that we will pay is \$1,200 per week up to a maximum of the lesser of:

- a total of \$28,000, or
- twenty eight (28) weeks rent.

For event D., the maximum amount that we will pay is \$1,200 per week up to a maximum of the lesser of:

- a total of \$6,000, or
- six (6) weeks rent.

We do not pay for any bond money that the court or tribunal awards to the tenant on the grounds of hardship.

If more than one (1) event A. to D. occurs, we will pay for only one event. We will pay the event that pays the highest amount.

Legal costs we pay when you make a claim for rent default

We will also pay legal costs you incur:

- to legally evict tenants, or
- to recover amounts owed to you by your tenants, or
- to otherwise mitigate a loss under this Rent default option.

We will not pay legal costs to recover any amount owed to you solely for the payment or recovery of any excess applicable to any claim under this Policy.

The most we will pay for your legal costs is \$6,000. We will only pay your legal costs if they are incurred with our prior written consent.

Other conditions applicable to rent default

We will only pay when you and your tenant have a valid lease agreement. We will only pay for rent default if the tenant breaches the lease agreement.

We will not pay you for any rent default events A. to D., if the rent is in arrears on or before the commencement of the period of insurance or when you select this rent default option. Cover for this rent default option will not commence until any rent arrears have been paid in full, and the tenant has paid rent in accordance with the lease agreement for a period of not less than four (4) consecutive weeks.

Any claim for a rent default event A. to D. and/or associated legal costs will be reduced by the balance of any bond money that you can legally use to reduce or pay for any loss or damage after you have deducted any other expenses that you are legally entitled to deduct from the bond money such as clean up costs, rent owing or re-letting expenses.

If a tribunal orders the refund of the bond money to the tenant, on the grounds of hardship, an excess equal to four (4) weeks rent will apply to your claim.

We will only pay a claim when you have taken all reasonable steps legally available to you under the *Residential Tenancies Act* or similar legislation or any other legal avenue available to you to mitigate any loss and evict the tenant.

We will not pay any lost rent if you have failed to rectify a notice of remedy breach, issued by the tenant to you or your agent.

Special benefit – Extended rent protection

We pay 50% of the weekly rent lost commencing from forty five (45) days after the time that you obtain vacant possession immediately following one of the following events:

- an accepted claim under additional benefit 8 – Loss of rent,
- an accepted claim under the rent default by tenants option, or
- unauthorised occupation of the home by a person or persons unknown to you.

Any period where the home is not:

- managed for rental by a licensed real estate agent, and
- is not advertised to be let at no more than the rent recommended by that licensed real estate agent,

is added to the above forty five (45) day waiting period.

It is a condition precedent to payment under this benefit that you:

- take all reasonable steps to undertake any repairs, maintenance and upkeep to ensure that the home is suitable to be re-let as soon as possible,
- make all reasonable endeavours to find a tenant and obtain a signed lease agreement,
- accept any reasonable offer of tenancy,
- set the rent at no more than the current market rental value appropriate for the property and in any case no more than the rent recommended by your licensed real estate agent.

The rent set must take into account any reduction in marketability due to any reduction of service, wear and tear or deterioration of market conditions compared with the previous rental value. The advertised rent must be reviewed monthly to assess whether the market rental has reduced and rental income would be maximised if the advertised rent was reduced.

Under this extended rent protection section, we do not pay;

- any rent lost in the first forty five (45) days after vacant possession is obtained (or any time added to the waiting period),
- any rent lost once the home is rented out on a new lease agreement,
- any rent lost during any period when the home is not managed by a licensed real estate agent,
- for any period in excess of twenty five (25) weeks,
- for any period when the property:
 - is not made available for and advertised for re-letting, once vacant possession is obtained,
 - is advertised for sale,
- any interest on rent or consequential losses such as mortgage interest payments,
- any rent lost on any property that has never been subject to a lease agreement,
- more than the lowest of:
 - \$500 per week,
 - \$7,500 any period of insurance,
 - 50% of the weekly rent lost immediately prior to the event per week.

Example 1, The rent was \$550 per week. The home is unsuccessfully advertised for lease for 30 weeks (210 days) before it is re-let. No rent is paid by us for the initial 45 day waiting period.

We pay up to the lowest of:

- 165 days (23.57 weeks) of lost rent @ 50% of \$550 per week (\$275) = \$6,472.14,
- \$7,500, or
- \$500 per week X 23.57 weeks = \$11,785 (not applicable as 50% of rent is less than \$500).

Therefore, we would pay \$6,482.14 for this claim.

Example 2, The rent was \$850 per week. The home is unsuccessfully advertised for lease for 40 weeks (280 days) before it is re-let. No rent is paid by us for the initial 45 day waiting period.

We pay up to the lowest of:

- 50% of 235 days (33.57 weeks, capped at 25 weeks) of lost rent @ \$425 per = \$10,625,
- \$7,500, or
- \$500 per week X 25 weeks = \$12,500 (not applicable as 50% of rent is less than \$500).

Therefore, we would pay \$7,500 for this claim.

The above examples assume that all conditions are fully complied with. This Special benefit – extended rent protection, does not apply to casually let holiday homes.

Excess

An additional excess is payable for any claims under this option. Please see, 'What you must pay if you make a claim – Excess'.

Section 6: Additional loss of rent options

Under Section 4., 'Additional benefit 8 – Loss of rent', you are insured for the rent lost up to a maximum of the greater of \$25,000 or 20% of your buildings or contents sum insured, if your home is so damaged by event insured by the Policy that it cannot be lived in.

Under this Section 6., you can nominate a higher maximum annual dollar amount for loss of rent if the limit in 'Additional benefit 8' is inadequate. You can nominate higher amounts in multiples of \$25,000. For example, \$50,000, \$75,000 or \$100,000.

If you select and pay for an optional increased loss of rent under this section, it will be shown on your Policy Schedule.

If you select and pay for an optional increased loss of rent under this section that is \$75,000 or higher, we will not apply the dollar limits under the rent default option, if you have selected that option. We will only apply the limits that apply to the numbers of weeks' rent lost. However, for the 'Special benefit – Extended rent protection', we will not pay more than 50% of the weekly rent lost.

Section 7: Casually let holiday home option

If you wish to insure your casually let holiday home under this Policy, then you must select and pay for this option and it will be shown on your Policy Schedule.

Words with special meanings in section 7

In this section 7, the words below have the following meanings.

Word or Expression	Meaning
Casually let holiday home	your home that is let on a casual or temporary, short term basis for residential, holiday or recreational purposes.
Guest	<p>a person, and their family or visitors, who rents your home without a Lease Agreement, but where there is either a:</p> <ul style="list-style-type: none"> • rental agreement (that need not be subject to the <i>Residential Tenancies Act</i> or similar), or • record in a booking register, <p>that includes the following details:</p> <ul style="list-style-type: none"> • the length of time the property will be let, • the amount of rent payable, and • the amount of the security bond, booking fee or deposit.

If you select this option;

- under your contents, we will also insure computer game consoles that are designed to be played via a television display and the console's games and accessories up to a value of \$800 in total,
- there is no requirement to have a Lease Agreement (that is compliant with the *Residential Tenancies Act* or similar), and
- the unoccupancy condition does not apply to this Policy, and
- additional benefit 8 – Loss of rent is payable even if the home has been untenanted for a period in excess of 100 days before the loss, and
- the Policy will not operate on the basis that four (4) weeks bond has been collected, but any security bond, booking fee or deposit will be applied first to any claim that is caused by your guest, and
- unless this Policy states otherwise, the guest will be insured as though they were a tenant, and
- if you have selected the rent default option, four (4) weeks rent does not need to have been paid before that option is activated.

Conditions applying to this section

You must collect a reasonable security bond, a booking fee or deposit to be applied against any loss of rent or damage to the property by your guest.

'Special benefit – Extended rent' protection in section 5 does not apply if you have selected this option.

We will not insure you if you were legally required to have had a lease agreement in place (that should have complied with the *Residential Tenancies Act* or similar) but you did not enter into such an agreement.

Section 8: What you must pay if you make a claim – Excess

We deduct the excess shown in the Policy document or on the current Policy Schedule from the amount of your claim. The excess will be applied to each and every claim whether or not separate instances of loss or damage are submitted at the same time or on the same claim form. However, where multiple separate identifiable incidents are discovered at the same time and the claims are submitted simultaneously the total maximum amount of excesses applicable will be \$1,000.

Your excess will be an additional \$400 for any claim arising from theft, malicious damage or purposeful damage by tenants, tenant's visitors, tenant's family or tenant's or visitor's pets.

If you have selected and paid for the 'Rent default' option, it will be shown on your Policy Schedule. Your excess under the rent default option for any claim arising from events A. to D. will be increased by \$400.

Where a sub-limit is applicable, the excess will be applied to the claim prior to applying the sub-limit. For example, if a painting worth \$23,000 was stolen from the home (by someone unknown to you and it has not been specified, the \$20,000 per item work of art/picture sub-limit would apply. If a \$500 excess was applicable, this would be applied to the \$23,000 claim, rather than the \$20,000 sub-limit. Therefore, \$20,000 would be payable.

If the painting had been specified for \$23,000, we would pay \$22,500 – the \$23,000 claim less the \$500 excess. If the painting was worth only \$1,000, we would pay \$500 - \$1,000 less the \$500 excess.

For earthquake or tsunami claims the excess is \$250, or the excess amount shown on your Policy Schedule, whichever is greater. All loss, destruction or damage occurring within a period of seventy two (72) hours of the earthquake is regarded as the one event.

Section 9: General exclusions

General exclusions applying to this Policy

This Policy excludes loss, damage, destruction, death, injury, illness, liability, cost or expense of any nature directly or indirectly caused by, contributed to by, resulting from, arising out of or in connection with any of the following, regardless of any other cause or event contributing concurrently or in any other sequence to the loss:

1. war, invasion, acts of foreign enemies, hostilities or war-like operations (whether war be declared or not), civil war, rebellion, revolution, insurrection, civil commotion assuming the proportions of or amounting to an uprising, military or usurped power, or
 2. any act(s) of Terrorism that is directly or indirectly caused by, contributed to by, or in any way involves or is connected with biological, chemical, radioactive, or nuclear pollution or contamination or explosion. For the purpose of this exclusion, an act of terrorism includes any act, or preparation in respect of action, or threat of action designed to influence the Government of the day or de facto of any nation or any political division thereof, or in pursuit of political, religious, ideological or similar purposes to intimidate the public or a section of the public of any nation by any person or group(s) of persons whether acting alone or on behalf of or in connection with any organisation(s) or Government(s) of the day or de facto, and which:
 - involves violence against one (1) or more persons; or
 - involves damage to property; or
 - endangers life other than that of the person committing the action; or
 - creates a risk to health or safety of the public or a section of the public; or
 - is designed to interfere with or to disrupt an electronic system.
 3. radioactivity or the use, existence or escape of any nuclear fuel, nuclear material, or nuclear waste or action of nuclear fission or fusion.
-

This Policy also excludes any loss, destruction, damage, death, injury, illness, liability, cost or expense of any nature directly or indirectly caused by, contributed to by, resulting from or arising out of or in connection with any action taken in controlling, preventing, suppressing, retaliating against, or responding to or in any way relating to 1, 2 or 3 above.

Sanction limitation and exclusion clause

You're not insured under any section of this Policy where a claim payment breaches any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of Australia, the European Union, United Kingdom or United States of America.

Additional exclusions applying to this Policy

These additional exclusions apply to cover for your home, contents, legal liability, additional benefits and any option(s) selected.

This Policy does not cover:

- (a) loss or damage intentionally caused by you or a member of your family or a person acting with your consent or the consent of any member of your family,
- (b) loss or damage resulting from or caused by:
 - the lawful seizure, confiscation, nationalisation or requisition of the property insured,
 - destruction of or damage to property by any government or public or local authority,
 - storm, flood, rainwater or wind, to:
 - retaining walls,
 - free standing walls,
 - fences, or
 - gates,
 unless located in Queensland or Western Australia, or they are constructed of:
 - brick, concrete, masonry, stone or steel, or
 - timber but are twenty (20) years old or less,

- erosion, subsidence, landslide or earth movement other than as a direct result of:
 - storm, flood
 - earthquake or tsunami,
 - explosion,
 - escaping liquid,and occurring no more than seventy two (72) hours after the event,
- the action of the sea, high water, or tidal wave. This exclusion does not apply to tsunami, ‘tsunami’ means a sea wave caused by a disturbance of the ocean floor or by seismic movement,
- water seeping through a wall or floor,
- water entering the home through an opening made for the purpose of alterations, additions, renovations or repair,
- inherent defects, structural defects, faulty workmanship, faulty design,

However, we will pay for resultant loss or damage that is caused directly by a Specified event if you did not know about, or could not reasonably have known about, the defect, faulty design or faulty workmanship at the time of the loss.

Under no circumstances will we repair the inherent defect, structural defect, faulty workmanship or faulty design that caused the loss, nor any loss that is caused by the inherent defect, structural defect, faulty workmanship or faulty design that is not caused directly by a Specified event. If there is evidence that a defect previously caused damage, we will not pay any claim for further damage by a Specified event arising from this defect.

For example; A previous owner had electrical wiring installed that was faulty and there was no way that you could have known about this. The faulty wiring causes fire damage. We would cover the damage caused by the fire. We would not pay to replace the faulty wiring. If you knew, or could have reasonably known that the wiring was faulty at the time of the fire, then we would not pay for loss or damage caused by the fire.

Another example; A claim is made for water damage from a leaking roof. Upon investigation, it is discovered that there is evidence that the roof had leaked numerous times before due to faulty workmanship. If you could have reasonably known of the defect or the previous leak, then no claim would be payable to repair the defect or the water damage.

- wear, tear, rust, corrosion, depreciation or gradual deterioration or any gradual process,
- fungus, mildew, mould, algae, atmospheric or climatic conditions (other than storm),
- settling, shrinkage or expansion in buildings, foundations, walls or pavements,
- the removal or weakening of supports or foundations for the purpose of alterations additions, renovations or repair,
- mechanical, electrical or electronic breakdown with the exception of fusion to electric motors as described under section 2 event (a), 'Fusion of an Electric Motor' or if a claim is payable as the result of a lightning strike,
- any consequential loss other than that specifically provided by this Policy,
- any process of cleaning involving the use of chemicals other than household cleaning chemicals,
- rodents, vermin or insects (at any stage of their life cycle),

For example: If a mouse was to chew through an electrical wire, which led to a fire, the damage caused directly by the fire would be covered by this Policy, however any damage caused by the mouse's chewing would not be covered by this Policy,

- gnawing, biting, chewing, pecking, clawing, scratching or in any way soiling or polluting;
 - your contents in the open air, or
 - any exterior part of your home, or
 - any part of your home that is not fully enclosed and secured prior to and at the time of the damage,

- any part of the interior of your home if you or someone who lives at the home permitted an animal to enter your home,
- an animal kept by you or your family or your tenant, tenant's family or tenant's visitors,
- the deliberate application of heat (for example, this would include where an element under or forming part of a ceramic cook-top causes damage to the cook-top),
- tree roots.

However, this exclusion applies only to damage caused directly by tree roots. For example, if tree roots damage and block a pipe, we will pay for the resultant damage to the home caused by water overflowing in the home. We will not pay for the damage to the pipe.

(c) loss or damage to:

- items for sale on consignment,
- electronic data unless the loss or damage is caused by a specified event (a) through to (r) listed under 'What you are insured against, and what you are not'.

For the purposes of this exclusion, electronic data means any facts, concepts or information converted to a form usable for communication, display, distribution, processing by electronic, or electromechanical data processing, or electronically controlled equipment which includes but is not limited to programs, software or other coded instructions for such equipment. For example: You are not covered for any damage to any information on your computer including any computer program caused by a virus, trojan horse, worm, back door, trap door, logic bomb, bacteria, rabbit programmes, or computer hacking.

(d) any loss, damage, destruction, death, injury, illness, liability, cost or expense of any nature directly or indirectly caused by, resulting from, arising out of or in connection with any contagious or communicable animal disease.

General conditions

There are conditions set out in this General conditions section, in the Claims section and under each particular cover and section. If any of these conditions aren't met, we may refuse a claim, reduce the amount we pay or in some circumstances we may cancel your Policy. When making a claim, you must have met and then continue to comply with the conditions of your Policy. Any person covered by your Policy, or claiming under it, must also comply with these conditions.

If you, or someone covered under your Policy, don't meet these conditions or make a fraudulent claim we may:

- Refuse to pay your claim or reduce what we pay for your claim
- Cancel your Policy.

Adjustment of premium on renewal

If a claim occurs in the previous period of insurance and you do not notify us until after the premium for the current period of insurance was calculated, then you must pay any additional premium that would have been calculated had you told us about the claim on the day that the claim occurred. This condition does not affect any other rights that we have, including the rights that we have under 'Your Duty of Disclosure'.

Assistance and co-operation

At all times when you deal with us you must:

- Provide us with all reasonable assistance we may need
 - Be truthful and frank
 - Not behave in a way that's abusive, dangerous, hostile, improper or threatening
 - Co-operate fully with us, even after we've paid a claim.
-

Burglary protection

If any required burglary protection is noted on your Policy Schedule, we have agreed to insure your home and contents only if those burglary protection devices are installed.

If any of these devices is removed, altered, or left inoperative while you are absent from the site for more than 24 hours, without our prior consent, we may have the right to:

- decline, or
- reduce

a claim to which this action contributes.

Care and maintenance

You must take reasonable care to prevent damage, injury or loss. We won't pay for damage, injury, loss or your liability to which your failure to take reasonable care is a contributing factor. At all times, you must:

- Prevent damage to property insured, as well as to others and their property
- Minimise the cost of any claim under your Policy
- Comply with all laws.

Changes to your circumstances

You must tell us as soon as possible if circumstances occur, or if changes or alterations are intended or made which increase the risk of loss, damage or injury.

Examples include:

- you no longer are the owner occupier of the home, because you now let the home to tenants or use the home as a holiday home
 - you are having renovations undertaken
 - the home is left vacant or unoccupied for a period exceeding 100 days
-

- the home falls into a state of disrepair
- your home is opened up to the public for an exhibition or similar event (including if it is not for reward), or
- you are participating in a public exhibition (including if it is not for reward).

If you ever use the home as a holiday home

This Policy is issued on the basis that you let it to tenants and it is not used as a holiday home unless you have selected the casually let holiday home option and it appears on your Policy Schedule.

If you use the home as a holiday home, you must tell us.

Other interests

You must not transfer any interests in your Policy without our written consent.

Any person whose interests you've told us about and we've noted on your Policy Schedule is bound by the terms of your Policy.

Other party's interests

You must tell us of the interest of all parties (eg financiers, lessors or owners) who'll be covered by your Policy. We'll protect their interests only if you've told us about them and we've noted them on your Policy Schedule.

Strata title mortgagee's interest

This cover applies only if you have arranged this Policy to insure only the interest of a mortgagee in a strata title unit.

This cover only applies when you own part of a building that has been subdivided into strata, community or similar title units and you have a mortgage on that part of the building.

We will pay the mortgagee the lowest of:

- (a) the sum insured shown on the Policy Schedule,
-

- (b) the amount to repair the damage to a condition similar to but no better than when new,
- (c) if the body corporate (or similar) partially covers the loss, then the difference between what the body corporate insurance pays and the cost of the damage, or
- (d) the amount sufficient to discharge the mortgage held by you over the unit at the date of damage.

We pay only that part of the claim that applies to the interest of the mortgagee.

We only pay a claim if:

- (a) a claim would be payable under insured events (a) to (j) of this Policy (and not subject to any exclusion or other limitation in the Policy),
- (b) the Policy of the body corporate or similar does not apply or only partially covers the loss, and
- (c) the mortgagee requires you to discharge your mortgage.

If you have arranged this Policy to insure only the interest of a mortgagee in a strata title unit:

- (a) no additional benefits are payable under this Policy,
- (b) no legal liability cover is provided, and
- (c) no optional covers are provided.

Unoccupancy

If your home is unoccupied for more than 100 consecutive days, you must tell us and obtain our written agreement for cover to continue.

If you do not do so, the cover for home and contents is limited to lightning, thunderbolt, riot and civil commotion, damage directly caused by impact by a vehicle, waterborne craft, space debris, aircraft, rocket, satellite, a branch, or tsunami and earthquake for the period in excess of 100 consecutive days during which the home has been left unoccupied. However,

we do not insure you against any subsequent resultant damage such as rain water entering any opening made by impact or looting subsequent to a riot.

The period of 100 consecutive days is calculated from the date when the home was last occupied regardless of the commencement or renewal date of the Policy.

'Occupied' means that the home is furnished such that it is comfortably habitable and you, your family or someone with your consent has resided in the home overnight.

To be occupied the home must:

- contain at least one usable bed/mattress,
- contain at least one dining table or bench, a chair and some other furniture,
- contain a functioning refrigerator,
- be connected to the electricity, and,
- be connected to hot and cold running water.

This unoccupancy clause does not apply if you have selected the casually let holiday home option and it appears on your Policy Schedule.

You must have a lease agreement

For any claim to be payable, you must have a lease agreement in force between you and the tenant. This condition does not apply if you have selected and paid for the casually let holiday home option and this appears on your Policy Schedule.

You must collect bond money

If loss or damage to your home or contents is caused by your tenant, or you claim for rent default, the bond money will be used to mitigate your loss. If bond money has not been collected or if you have returned bond money to the tenant that could have been used to mitigate any loss, then we will reduce any amount that we pay by the amount that we are prejudiced.

Claims

This section describes what you must do, as well as conditions that apply when you make a claim and at the time loss or damage occurs which is likely to give rise to a claim

What you must do

If an event happens which may give rise to a claim you must:

- take all reasonable precautions to prevent further loss, damage or liability,
- notify the police immediately if any of your property is lost, stolen, or maliciously or intentionally damaged,
- tell us or your financial services provider as soon as possible. You will be provided with a claim form and advice on the procedure to follow,
- supply us with all information we require to settle or defend the claim,

In an emergency outside normal business hours you may ring our emergency service on 1800 023 387 for assistance.

If in doubt at any time, ring Defence Service Homes Insurance on 1300 552 662 for advice.

What you must not do

You must not:

- authorise repairs to or arrange replacement of any of the property insured in connection with any claim without our consent, other than emergency repairs necessary to prevent further loss. If we agree to pay your claim, we will pay for these repairs, but you must retain all receipts,
 - admit liability if an accident occurs which is likely to result in someone claiming against you.
-

What we do

We may take over and conduct the defence or settlement of any claim or issue legal proceedings for damages. If we do this we will do it in your name. We have full discretion in the conduct of any legal proceedings and in the settlement of any claim. You must co-operate by giving us any statements, documents or assistance we require. This may include giving evidence in any legal proceedings.

What can affect a claim

We will reduce the amount of a claim by the excess shown in the Policy Wording or on the Policy Schedule.

We may refuse to pay a claim if you are in breach of your duty of disclosure or any of the conditions of this Policy, including any endorsements noted on or attached to the Policy Schedule.

We pay only once for loss or damage from the same event covered by this Policy even if it is covered under more than one section of the Policy.

We may be entitled to refuse to pay or to reduce the amount of a claim if:

- it is in any way fraudulent, or
- any fraudulent means or devices are used by you or anyone acting on your behalf to obtain any benefits under this Policy.

Lifetime guarantee on home repairs

We guarantee that if we have:

- selected and directly authorised or arranged for a repairer to replace, repair or rebuild your home, and
 - paid, or have a legal liability to pay, the supplier, repairer or builder directly for this work, and
 - a defect arises in the lifetime of your home as a result of poor quality workmanship or use of incorrect or poor quality materials,
-

we will rectify the problem by arranging, directly authorising and paying for further replacement, repair or rebuilding.

We will also handle any complaint about the quality or timeliness of the work or conduct of the repairer as part of our complaints handling process.

This guarantee does not apply to:

- home replacement, repairs or rebuilding that you arrange, authorise or make yourself (even if we give you the name of a possible supplier, repairer or builder who is involved with the repair), or
- home replacement, repairs or rebuilding that you arrange, authorise or make yourself (even if we give you or a supplier, repairer or builder a cheque for all or part of the repair cost), or
- loss, damage or failure of any electrical or mechanical appliances or machines that form part of your home, or
- wear and tear consistent with normal gradual deterioration of your home (e.g. paint peeling off as part of its normal life cycle, wood rotting or mould from moisture in the air or ground, roofs weathering or a hot water system leaking as a result of normal gradual deterioration).

Contribution

If at the time of any loss, damage or liability there's any other insurance (whether effected by you or by any other person) which covers the same loss, damage or liability you must provide us with any reasonable assistance we require to make a claim for contribution from any other insurer(s).

GST

If you're a business you must tell us if you're registered, or are required to be registered, for GST. When you do this, we need you to give us:

- Your ABN
- The percentage of any input tax credit you will claim, or will be entitled to claim, on your premium.

When we pay a claim, your GST status will determine the amount we pay you. Your claim settlement amount will be adjusted to allow for any ITC entitlement.

Unless we say otherwise, all amounts in your Policy are inclusive of GST. There may be other taxation implications affecting you, depending upon your own circumstances. We recommend you seek professional advice.

Other insurance

You must notify us of any other insurance which will or may, whether in whole or in part, cover any loss insured under your Policy.

Preventing our right of recovery

If you've agreed not to seek compensation from any person liable to compensate you for loss, damage or liability covered by your Policy, we won't cover you for that loss, damage or liability.

Providing proof

You must be able to prove to us you've suffered a loss covered by your Policy before we'll pay you for it. We may ask you for this proof if you make a claim under your Policy. So your claim can be assessed quickly, make sure you keep the following:

- receipts or other confirmation of purchase;
 - valuations; and
 - photographs of items in the home.
-

Salvage

We're entitled to obtain and retain any items or materials salvaged or recovered after you make, and we agree, to pay a claim by replacing or paying to replace any items or materials. We may sell the items or materials and keep the proceeds. We may choose to sell the items or materials to you, provided you agree to pay market price .

Subrogation, recovery action & uninsured loss

We may at any time, at our expense and in your name, use all legal means available to you of securing reimbursement for loss or damage arising under your Policy. In the event we do so, you agree to give all reasonable assistance for that purpose.

If you've suffered loss that wasn't covered by your Policy as a result of the incident, we may offer to attempt to recover this. You may also specifically ask us to recover this for you. You'll need to give us documents supporting your loss. Before we include any uninsured loss in the recovery action we'll also ask you to agree to the basis on which we'll handle your recovery action. You may need to contribute to legal costs in some circumstances.

Other terms

These other terms apply to how your Policy operates.

Cancelling your Policy

You can cancel your Policy at any time by telling us. If there are other people named as insured on your Policy, we only need a request to cancel it from one of you.

We may cancel your Policy in any of the circumstances permitted by law (eg failure to pay the premium by the due date) by informing you in writing.

We'll give you notice in person or send it to your address (including an electronic address) last known to us.

If you've paid your premium in advance, we'll refund you the proportion of the premium for the remaining period of insurance, less any administration fees.

Changing your Policy

Changes to this Policy only become effective when we agree to them and send you a new Policy Schedule detailing the change.

Joint and co-insureds

If more than one person is insured under your Policy, we'll treat a statement, act, omission, claim, request or direction by that person as having been made by all insured.

We only need a request from one person insured to cancel or change your Policy.

Notices

Any notice we give you will be in writing, and will be effective once it's delivered to you personally or to your last known address (including when it's an electronic one).

It's important for you to tell us of any change of address as soon as possible.
